Sail Nova Scotia

We Help Yacht Clubs and Sailing Schools Get More People on the Water.

What We Do!

How We Help Clubs

Does your club need money for new programs, new equipment, or to host big regattas?

We help clubs secure that funding! In fact in the past 5 years we have helped secure more than \$500,000 from funding partners.

Have you attended our annual Sailing Conference?

Held in the fall, the Conference brings together club leaders and sailing fans from across the region who face many of the same challenges to share best practices and network. Not only that we bring in some great keynote speakers!

Can you make sense of the Transport Canada regulations for Recreational Boaters?

We can and we have some of the best people to help you and your club understand them so they can comply! We also lobby government agencies so they better understand recreational sailing & boating

Much More!

What Else Do We Do?

- Lead a number of on-line presentations of interest to power boaters and sailors.
- Represent the interest of yacht clubs with Govt Officials with all COVID related matters
- Train all sailing instructors to welcome new participants to the sport.
- Rate all boats using the PHRF-NS Handicapping System
- Help expand Disabled Sailing Opportunities across Nova Scotia
- Run a Mobile Sailing School to communities across Nova Scotia that don't have a youth program
- Work closely with Sail Canada to offer clubs an on-line registration system for their programs

About Us

We are the provincial sport governing body for sailing in Nova Scotia, and we also assist power boaters at our members clubs. How? By acting on their behalf on committees such as the Halifax Marine Advisory Committee, and Recreational Boating Advisory Committee

Sail Nova Scotia Funding

Our big funding partners are the Province, Sport Nova Scotia and the Support 4 Sport Lottery. Less than 15% of our revenues come from membership, but we're working hard to grow that number as more and more sailors and boaters recognize the important work Sail Nova Scotia does on their behalf.

Who We Are

Our Membership Includes

- 30 Yacht & Sailing Clubs
- 12 Sailing Schools
- Our member clubs have more than 2500 members and 2000 participants who take lessons at the club, enjoy the racing and cruising and more than anything just love being at their yacht club.
