2025 Canada Games Team Selection Policy

The 2025 Canada Games Team Selection Policy sets the method by which Sail Nova Scotia will recommend to the Province of Nova Scotia which athletes will represent the Province at the 2025 Canada Summer Games in St. John's, Newfoundland & Labrador.

Sail Nova Scotia will establish a Sail NS Canada Games Selection Committee consisting of:

- A Certified Sail Canada Race Official (Race Officer or Judge)

The Committee will oversee the selection of the team following the procedures and criteria defined in this Canada Games Team Selection Procedures, and present their Canada Games Team athlete candidates to the Sail Nova Scotia High-Performance Steering Group. The Steering Group will then send the recommended candidates names to the Province of Nova Scotia for final approval.

The results of the High-Performance Steering Group must be completed no later than July 1, 2025, as athlete selection must be completed no later than 30 days prior to the start of the Canada Summer Games. The 2025 Canada Summer Games begin August 8, 2025.

The Committee may only select Athletes who are in good standing with Sail Canada, Sail Nova Scotia, and their home club and meet the age and residency requirements as per the [Canada Games Technical Package for Sailing](#).

Sail Nova Scotia will provide an appeals process defined in the Canada Games Selection Procedures (see following pages) to allow athletes to appeal any portion of the procedure that they feel was not carried out equitably.
